# COUNT AND WRITE!

Handwriting practice sheet featuring a monkey character and tracing exercises.

The top section shows a monkey character split vertically: the left side is a solid illustration of a brown monkey with a blue suit and green tie, and the right side is a dashed outline for tracing. A small inset image shows a hand holding a smartphone displaying the monkey character.

The middle section contains tracing exercises for the letters M, I, L, and O. Each letter is shown with dashed lines and arrows indicating the stroke order. Below these are two sets of handwriting lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line.

The page is decorated with a border of alternating bananas and stars.
