WHO TOOK THE CUPCAKES?

THE MAGIC OF SHARING

Penny the Peacock loved baking delicious cupcakes. One day, three cupcakes disappeared! After following the clues, Penny discovered some hungry cupcake fairies hiding inside a tiny tree door. The fairies explained that they had taken the cupcakes because they were hungry. Penny kindly told them they should have asked first. She happily shared more cupcakes with them. Everyone enjoyed the magical cupcakes at the Big Forest Picnic!

MORAL: Sharing is caring, and listening makes us kind. Even a small act of kindness can make big magic happen!
