THE LION AND THE MOUSE

– A Little Friend Can Make a Big Difference! –

One day, a little mouse accidentally disturbed a sleeping lion. The angry lion caught him, but kindly let him go when the mouse promised to help him someday.

A few days later, the lion got trapped in a hunter's net. Hearing his roar, the little mouse rushed to help. He chewed through the ropes with his sharp teeth and freed the lion. The lion thanked the mouse, and they became the best of friends.

MORAL: Never underestimate anyone. Even the smallest friend can make a big difference. Always be kind and help others!
